

Welcome to the City of Logan Australia's eighth largest Local Government Area, home to over 326,000 people and more than 217 different cultures and ethnicities. It's also a sporting haven, home to the Brisbane Roar, Corey Parker from the Brisbane Broncos and where the world's number one golfer Jason Day and Australian Rugby League captain Cameron Smith honed their skills. We also made a little splash at the Olympics with Jodie Henry in the pool.

Beyond that we also have over 900 parks to explore, a variety of markets and now we're also acknowledged as a centre for luxury motor vehicles. Did I mention Australia's oldest and the only 100% Australian owned Rum Distillery?

We look forward to sharing our home with you and sincerely hope you take time to explore this great city! Here's a small sample of what's on offer;
