### The 2019 Wildfire Raid Race Document

This document contains all the information you will need to prepare for the Wildfire Raid. It will be updated periodically in the lead up to the race. The race schedule and logistics have been set to be as racer friendly as possible.

New competitors would do well to look over past maps and information from past races [here](#) to get an idea of the format and what you are in for.

#### Concept

The Wildfire Raid is Queensland's premier "sprint-length" adventure race. With 3 or 6 hour course options, the Wildfire Raid is the excellent entry point for newcomers looking to dip their toes into adventure racing, whilst still being a fantastic opportunity for some furious racing by the more experienced teams. The Wildfire Raid has all the elements of the Raid races that you have come to know and love with multiple navigational stages of trekking, mountain biking and kayaking. The race HQ at Mount Joyce Recreation Camp is almost purpose built for multi-sport rogaining. Teams must navigate through the course using a map and compass on a route of their own choice with each stage effectively its own small [rogaine](#) where competitors may attempt to collect as many or as few checkpoints as they wish, making this event achievable by all levels of athlete. I think you are going to grow to love this race.

#### Dates

Sunday 28 July, 2019

#### Team Size

Teams of 2.

## Race HQ Location

Race HQ is located at the Mount Joyce Recreation Reserve, Lake Wyaralong. A google map link can be found [here](#). A link website can be found [here](#).

Note that race HQ is in the over flow car parking area on the northern side of the dam (you need to drive below the dam wall to access). Follow the directions of volunteers on arrival as to where to go. There is plenty of parking available, along with some limited shelter and toilets. Please be mindful of the other users of the Reserve.

## Disciplines

- Trekking – both on and off-trail.
- Mountain Biking – mostly unsealed management roads and dedicated single track
- Kayaking – on Lake Wyaralong.
- Navigation – easy to moderate.

## Format

Teams will be required to attempt multiple legs of alternating race disciplines. Each leg must be attempted in order, and once a leg is completed teams may not return to it to collect missed checkpoints later unless otherwise specified in the course notes. However, within each leg, teams may collect as many checkpoints that they wish. All check points are optional. Note that teams may only collect checkpoints that are from the current leg that they are on. Note also that some stages of the race may have “opening” or “closing” times. This format of event allows for a very social atmosphere of racing with teams constantly brought together. Each stage of the Wildfire Raid is separated by a transition area where an event official will be present. Any team that makes it back to Race HQ under their own power will be considered ranked with an official result.

## Course Description & Approximate Distances

The Wildfire Raid course specific notes can be found [here](#).

## Water

There is water available at HH.

## Maps

Every competitor will receive a pre-marked, event-specific, waterproof map. This is an A3 map at 1:20,000 with 5m contour interval.

## Spectators and Volunteers

Volunteers are the backbone of rogaining and adventure racing. We love our volunteers and feed and look after them very well (see Derek’s testimonial [here](#)). Volunteers at any Raid event or QRA race receive guaranteed pre-entry into our other races as well as \$50 credit to any other Raid Adventures race or QRA event. There are a number of jobs we need assistance with on the course including help with registration, unloading and loading kayak trailers, manning transition areas, course sweepers, first aid, photography and social media. Contact Liam at [rogueadventureracing@gmail.com](mailto:rogueadventureracing@gmail.com) if you are keen to be part of the action.

Spectators are always welcome at the race. Race HQ is a hive of activity and race HQ is a very family friendly location. Of course, the best way to spectate at the race is to volunteer.

## Kayaks

Kayaks will be provided for the Wildfire Raid. These will be the green Spirit Double CTR kayak fleet managed by [Navis Outdoors](#).

Paddle and/or PFDs can be provided for free of charge - **The exception to loaning a PFD is for young racers under the age of 10 – please contact the organiser if you do not have a suitable PFD for a child of this age.** However, competitors are recommended to bring their own paddles and PFDs where available. All kayak personal gear **MUST BE** dropped at the kayak TA **BEFORE** the race briefing (you pass this on the drive into HH, follow the directions of the event volunteers) – failure to this will mean you will not get your gear when you arrive at the kayak transition.

Teams may consider the use of backrests. The kayaks have attachments for 4 point kayak backrests, and you are permitted to bring your own if you have them (no guarantee they will fit, but most generic types seem to work ok). A limited number of kayak specific backrests are available for hire (\$10 each), however these must be requested by one week prior to the race by email to [adam@navisoutdoors.com.au](mailto:adam@navisoutdoors.com.au) and must be collected between 6.45am and 7.00am (prior to map handout).
