Entry Applications

Every prior edition for the Rogue Raid in the last 11 years has sold out. As such, we have implemented an entry procedure that ensures entries are obtained in a fair and equitable manner. To alleviate the stress of a first-come first-serve system, entry into the Raid 100 will proceed as follows:

- Teams can apply for an entry between 2-9 October 2020. If there are enough places available in the race for the number of applications, then all teams will be offered a place with subsequent entries on a first come first serve basis.
- If there are more applications than the capacity of the race, entries will be selected on the following criteria in the following order:
 1. Volunteers: Teams with at least one competitor who has volunteered at a QRA or Raid event in the last 12 months will receive a guaranteed entry (more on the volunteer rewards [here](#)).
 2. International teams. That is, at least half the team members are travelling from overseas to compete in the race.
 3. Interstate A1 teams. At least half the team is travelling from outside SEQ/northern NSW AND have competed in two or more Adventure1 races in the past 12 months.
 4. All remaining teams will enter a lottery process.

If the race reaches capacity through the application process, teams will be put on a waitlist. Every effort will be made to get them a place in the race and it should be noted that invariably waitlist teams have almost always been offered a place in the Rogue Raid during the lead up to the race due to other team's withdrawals, etc.

Cancellation Policy Guidelines

- Teams are permitted to exchange any or all members at any point up until a day before the race. Teams are permitted to change team names at any point up until a day before the race. Hence, teams are effectively allowed to on-sell their entry to another team in the event that they are unable to compete.
- An AUD\$200/person non-refundable deposit is due upon the offer of an entry to confirm a place in the race (that is \$400/team of two or \$800/team of four). Entry applications open on 1 October 2020 and offers made to teams from 9 October 2020 depending on the number of available places.
- Full payment of early bird entries (that is, the remaining \$1120/person) is due by COB 1 January 2020. After this point, the full fee of \$1430/person is owing (that is, \$1230 remaining).
- Full standard payment is due by the COB on 19 March 2021. Entries received after this point will incur a \$110/person late fee. Note that entries may be closed earlier than this if they reach capacity.
- Teams that cancel an entry prior to COB on 19 March 2021 are entitled to a full refund less their \$200/person deposit. Teams cancelling an entry between 19 March 2021 and 16 April 2021 will receive a 50% refund on entry fee. Teams cancelling an entry after COB 16 April 2021 will not receive a refund.
- In the very unlikely event that organisers have to cancel the race, all efforts will be made to reschedule the event and entries transferred to the new date. If teams are unable to attend the new date, a refund will be made of the full entry fee less the initial deposit. In the extremely unlikely scenario where the organisers have to completely cancel the event, teams will receive a refund on their entry fee less direct out of pocket expenses for the organisers. All efforts will be made to recover funds for competitors.
- Any team placed on a waitlist that is subsequently offered a place in the race will be offered the rate available at the time at which they applied and joined the waitlist.
