Class: **Colts, Open or Veteran**
Cost: **\$40/person (Children Under 14 free)**

About

The Urban Rogue is set to return, now in its eighth year: a 3 hour metrogaine in the heart of the Brisbane CBD! Come experience the city Friday night lights, where you and up to four other team mates will navigate to collect as many check points as possible in a 3 hour time limit. Set at a time to capitalise on the cooler summer evening temperatures, this course is achievable by all levels of athlete. Whether you're out for a casual stroll with the family or one of the city's elite runners, you chose as much or as little of the course that you want to do. Only basic navigational skills are required.

HQ Venue

The race will return to the [Lang Park PCYC](#) at 40 Castlemaine St, Milton. There is ample shelter and access to toilets although you may still want to bring your own chair and table for map mark up. Free undercover parking is available for competitors in the PCYC car park off Castlemaine St, however please park as far back in the car park as possible and consider car pooling where possible as places are limited. Once full, competitors should seek on street parking in the surrounding area. Both Milton and Roma St stations are within close proximity for those catching a train. Competitors will be briefed on Covid safe measures in the lead up to the event.

Schedule

| | |
|-------------------------------------|--------|
| Late registration ----- | 5:20pm |
| Map handout ----- | 5:30pm |
| Final briefing ----- | 6:20pm |
| Event Start ----- | 6:30pm |
| Event Finish/Presentations/BBQ----- | 9:30pm |

Maps

A3 colour, 1:15000, waterproof. One per competitor. Format: Q and A type check points (CPs) with a traditional rogaine scoring format. See the QLD Rogaine Association Website for more details if you are unfamiliar with how a rogaine works. For an example course, check out the Raid Adventures results page from previous events [here](#). An online portal will be used for submitting answers and collating results.

Equipment

Teams will be required to bring a torch or headlamp to read the map and a couple of marker pens to record their answers to the CPs. They will also need a digital camera or a phone capable of taking photos for a special check point. A compass, water bottle and means of protecting your maps and answer sheet (eg A3 plastic sleeve) are also strongly recommended. A smartphone for entering answers online to collate results.

Rules

The course must be completed as a team together (no relays) and members are not allowed to separate. The use of GPS devices for navigation is not permitted, nor working with other teams to collect answers. Teams are not allowed to use any private or public transport.

Fundraising Partner

A portion of entry fees from the Urban Rogue will be donated the Lang Park PYCY to support their youth initiative programs.
