## The 2023 Wildfire Raid Race Document

This document contains all the information you will need to prepare for the Wildfire Raid. It will be updated periodically in the lead up to the race. The race schedule and logistics have been set to be as racer friendly as possible.

New competitors would do well to look over past maps and information from past races [here](#) to get an idea of the format and what you are in for.

### Concept

The Wildfire Raid is Raid Adventure's premier "sprint-length" adventure race. With 3 or 6 hour course options, the Wildfire Raid is the excellent entry point for newcomers looking to dip their toes into adventure racing, whilst still being a fantastic opportunity for some furious racing by the more experienced teams. The Wildfire Raid has all the elements of the Raid races that you have come to know and love with multiple stages of trekking, mountain biking and kayaking. The race HQ at Bribie Island offers up a plethora of paddling options, sandy tracks, semi-urban areas and on- and off-trail navigation. Teams must navigate through the course using a map and compass on a route of their own choice with each stage effectively its own small [rogaine](#) where competitors may attempt to collect as many or as few checkpoints as they wish, making this event achievable by all levels of athlete. 2023 represents the sixth year of the Wildfire Raid.

## Categories

### Gender:

- Mixed teams
- Male teams
- Female teams

### Age:

- Open
- Veteran (all over 40)
- Family (U14 racing with parent/guardian)

## Disciplines

- Trekking – both on and off-trail.
- Mountain Biking – sandy tracks and semi-urban areas.
- Kayaking – in Pumicestone Passage
- Navigation – easy to moderate.

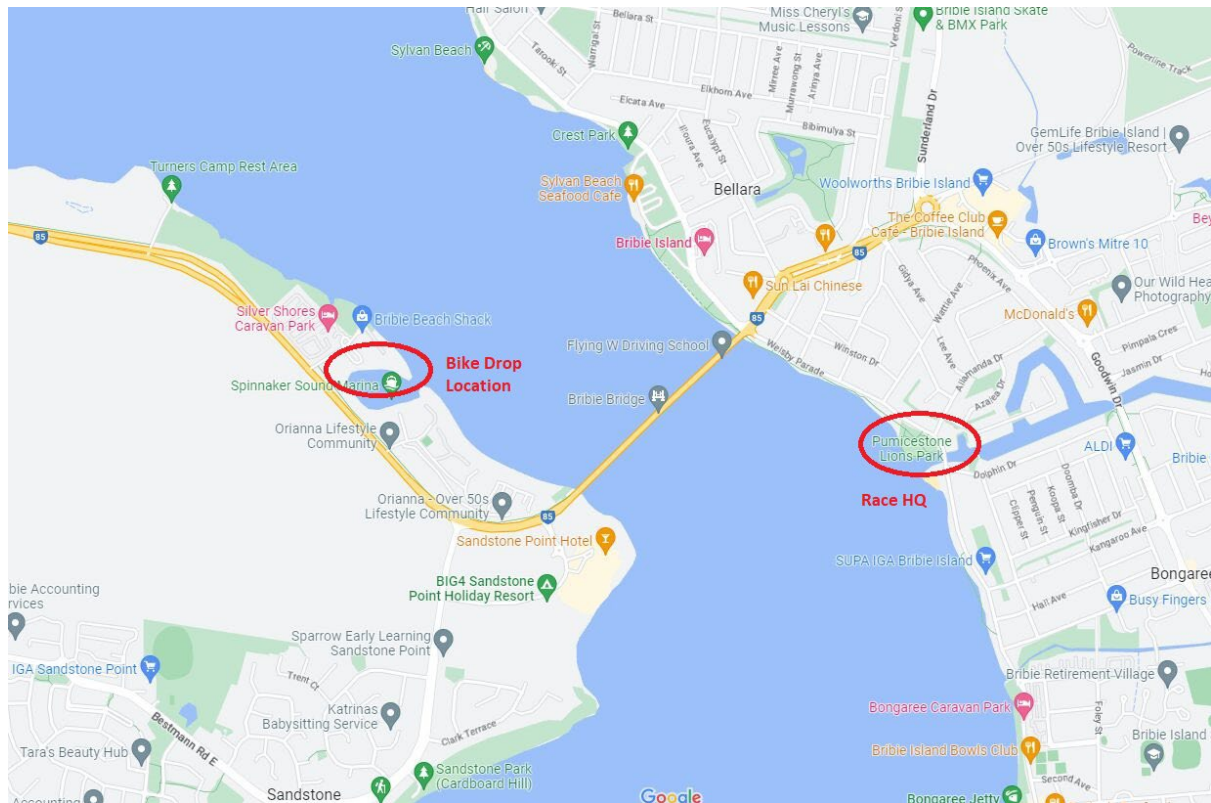

## Format

Teams will be required to attempt multiple legs of alternating race disciplines. Each leg must be attempted in order, and once a leg is completed teams may not return to it to collect missed checkpoints later unless otherwise specified in the course notes. However, within each leg, teams may collect as many checkpoints that they wish. All check points are optional. Note that teams may only collect checkpoints that are from the current leg that they are on. Note also that some stages of the race may have “opening” or “closing” times.

This format of event allows for a very social atmosphere of racing with teams constantly brought together. Each stage of the Wildfire Raid is separated by a transition area where an event official will be present. Any team that makes it back to Race HQ under their own power will be considered ranked with an official result.

## Race HQ Location

[Pumicestone Lions Park](#), Bribie Island. Welsby Parade, Bongaree.

## Course Description and Approximate Distances.

Approximate distances will be updated in the final week before the race.

## Maps

Every competitor will receive a pre-marked, event-specific, waterproof map. Details on the size and scale will be released in the lead up to the race.

## Spectators and Volunteers

Volunteers are the backbone of rogaining and adventure racing. We love our volunteers and feed and look after them very well (see Derek's testimonial [here](#)). Volunteers at any Raid event or QRA race receive guaranteed pre-entry into our other races as well as \$50 credit to any other Raid Adventures race or QRA event. There are a number of jobs we need assistance with on the course including help with registration, kayak logistics, manning transition areas, course sweepers, first aid, photography and social media. Contact Adam at [adam@navisoutdoors.com.au](mailto:adam@navisoutdoors.com.au) if you are keen to be part of the action. Spectators are always welcome at the race. Race HQ is a hive of activity and race HQ is a very family friendly location. Of course, the best way to spectate at the race is to volunteer.

## Kayaks

Kayaks will be provided for the Wildfire Raid. These will be the green Spirit Double CTR kayak fleet managed by [Navis Outdoors](#).

Paddle and/or PFDs can be provided for free of charge - The exception to loaning a PFD is for young racers under the age of 12 – please contact the organiser if you do not have a suitable PFD for a child of this age. However, competitors are recommended to bring their own paddles and PFDs where available.

Teams may consider the use of backrests. The kayaks have attachments for 4 point kayak backrests, and you are permitted to bring your own if you have them (no guarantee they will fit, but most generic types seem to work ok). A limited number of kayak specific backrests are available for hire (\$10 each), however these must be requested by one week prior to the race by email to [adam@navisoutdoors.com.au](mailto:adam@navisoutdoors.com.au) and must be collected between 6.45am and 7.00am (prior to map handout).

## Bike Drop

Teams in both the 3 hour and 6 hour event will need to perform a bike drop prior to the start of the race. This will be at [Kalmakuta Drive Park](#), Kal Ma Kuta Drive, Sandstone Point. Refer to the map above. The bike drop opens at 6:30am. Anything left at the bike drop must leave with teams when they get to their bikes.
